

Heated/Cooled Universal Backplate 18x16x10 Polycarbonate Enclosures

Ventev's Universal Backplate for 18x16x10 heated and cooled enclosures comes with the heater and plug outlet already installed. The updated design allows access points to be installed without touching the heater. For questions and to purchase product, contact a regional sales executive at 210-375-8482, 800-851-4965 or sales@ventev.com. Visit www.terra-wave.com for additional information.

Ventev's polycarbonate enclosures have been evaluated for compliance with the Reduction of Hazardous Substances (RoHS) Directive 2002/95 and have been determined to not contain substances in excess of RoHS Maximum Concentration Levels.

In addition to enclosures for wireless deployments, Ventev can design custom enclosures for any application including IP cameras, switches, routers and more.
