

Wi-Fi Aesthetic AP Cap for Cisco 2802i and 3802i Access Points

Ventev's Wi-Fi Cap for Cisco 2802i and 3802i Wi-Fi Access Points is specifically designed for indoor use to conceal the Cisco 2802i and 3802i Access Points. This cap can be painted (With Non-Metallic Paint) to allow the Cisco 2802i and/or 3802i to blend into most indoor environments. The cap provides a clear view of the AP's indicator lights in a subtle manner. It is perfect for a variety of applications where an **aesthetically-pleasing** design is critical.

Every Ventev enclosure is covered by the company's two-year TerraNet warranty program. For questions and to purchase product, contact a Regional Sales Executive at 210-375-8482, 800-851-4965 or sales@terrawave.com.
