

Hard Cap Ceiling Enclosure with Interchangeable Door For Cisco 9115

Ventev's Hard Cap Ceiling Enclosure with Interchangeable Door provides an aesthetically pleasing and inconspicuous solution for deploying Cisco 9115 access points in a drywall, stucco or wood ceiling. The Interchangeable Door allows you to replace only the door for future AP upgrades, saving significant time and cost. *Every Ventev enclosure is covered by the company's two-year TerraNet warranty program.*

For more information or to purchase, contact Ventev: 800.851.4965 or sales@ventev.com.

SPECIFICATIONS

SKU:

227325

Product Number:

V2-ID-HCEN-9115

Dimensions:

18" x 18" x 2.5"

Construction:

Powder-coated aluminum

Weight:

3.5 lbs

FEATURES AND BENEFITS

- Interchangeable door simplifies migration to new APs without changing the enclosure base
- Aesthetically pleasing, sleek form factor design blends enclosure and AP into ceiling
- Minimal components ensure quick and easy installation
- Access Point can be serviced without removing enclosure from ceiling
- Includes key lock for additional security
- Integrated mounting tabs assist in securing enclosures to permanent fixture or structure

Product Compliance:

- Meets UL 2416-Audio/Video, Information and Communication Technology Equipment Cabinet, Enclosure & Rack Systems and CSA C22.2 NO. 60950-1-Safety of Information Technology Equipment
- Meets NEC300-22 and 300-23 standards & common building code requirements
- Protects against dust and debris to assist in compliance with ICRA requirements
