

14x12x6” NEMA Enclosures for Cisco 9130AXE (with Single 8-Pin DART Connector Pass-Through)

Ventev's 14" x 12" x 6" NEMA Enclosure is engineered for quick and easy deployment of Cisco DART access points. High impact polycarbonate enclosure provides superior NEMA 4X/IP66 protection from harsh environments, impact and tampering. Choose a clear or solid door, and latch or key locks. Includes an aluminum backplate with predrilled holes to mount Cisco APs, and wall mounting feet. A pole mount bracket (SKU 303580) is sold separately. The enclosures are ideal for both indoor and outdoor deployments.

Every Ventev enclosure is covered by the company's two-year TerraNet warranty program.
