

# Wi-Fi Hard Lid Ceiling Tile Enclosure with Interchangeable Door for the Aruba 515 Access Point

Ventev's Hard Lid Ceiling Enclosure with Interchangeable Door provides an aesthetically pleasing and inconspicuous solution to deploy Aruba 515 indoor access points in a hard lid or drywall ceiling. When upgrading your network or migrating to a new AP, this enclosure allows for a simple and economic transition by replacing only the door. *Every Ventev enclosure is covered by the company's two-year TerraNet warranty program.*
