

Outdoor Wireless Mini Bollard

Ventev's compact, aesthetically pleasing Mini Outdoor Wireless Bollard enables seamless Wi-Fi and wireless communications in any outdoor environment such as in courtyards, along walkways, and across campuses. Constructed of durable, RF-transparent, and UV-resistant polycarbonate, the NEMA 3R-rated Mini Bollard is designed to protect and secure most Wi-Fi access points, antennas, switches, media converters and power supplies from harsh weather and tampering. Includes built-in cable management. *Every Ventev enclosure is covered by the company's two-year TerraNet warranty program.*

For more information or to purchase, contact Ventev: 800.851.4965 or sales@ventev.com.
