

Extension Bracket

Engineered for, and field tested by major utilities, Ventev's heavy-duty Extension Bracket supports robust product configurations while maintaining a small footprint on utility poles. Can be used with Ventev's Saddle Bracket to maximize versatility. The extension mount bolts securely to the telephone pole and offers up to a 30 inch stand off. Constructed of galvanized steel, the mount is designed to withstand harsh environments. Mounting hardware is included; see complete list on page 2.

Every Ventev mount is covered by the company's two-year TerraNet warranty program.
