

# Low Profile Under Seat Enclosure

Ventev's Low Profile Under Seat Enclosure protects an access point or other wireless equipment from harsh weather, tampering and impact. The compact cover and mount assembly is constructed with a semi-transparent or white polypropylene cover, a powder-coated heavy gauge aluminum mount plate, gasket, cord grip, breather vent and hardware to mount to concrete. Ideal for enabling reliable, protected connectivity to stadium and arena networks. *Every Ventev enclosure is covered by the company's two-year TerraNet warranty program.*

**For more information or to purchase, contact Ventev:** 800.851.4965 or [sales@ventev.com](mailto:sales@ventev.com).

## SPECIFICATIONS

**SKU:**

Semi-Transparent Cover- 263996

White Cover- 298182

**Product Number:**

Semi-Transparent Cover- US-LP-APCVR
