

Wi-Fi Circular Antenna Adapter Plate

Ventev’s circular antenna adapter plate is designed for most small and medium sized antennas. The adapter plate dimensions are 4.5" diameter and less than ¼" thick. Included with the adapter plate are four screws with anchors. The mounts are white powder coated to minimize the aesthetic affect.

Every Ventev adapter plate is covered by the company’s one-year warranty program.

For more information or to purchase, contact Ventev: 800.851.4965 or sales@ventev.com.
