

2.4/5GHz 5/6dBi Protected Wi-Fi Articulating Directional Antenna, 4 RPTNC Connectors and AP Mount

Engineered for use in prisons, this unique product is a 13.7" x 10.5" x 7.4" polycarbonate enclosure that protects the access point (not included) and an articulating 2.4/5GHz 5/6dBi Wi-Fi Directional Antenna. The rugged, RF-transparent enclosure is IP-67-rated for protection against dust, water intrusion and strikes. T25 tamper proof screws seal the enclosures lid and protect the antenna and access point from vandalism. The integrated solution is ideal for harsh indoor or outdoor environments. *Every Ventev antenna is covered by the company's two-year TerraNet warranty program.*
