

TerraWave Solutions® Steel Universal Pole Mount Kit

TerraWave's extremely versatile Steel Universal Enclosure Pole Mount Kit is specifically designed to securely mount all TerraWave 12"x10"x6" & 14"x12"x6" Polycarbonate Enclosures, all TerraWave *Flex-Line* Universal Steel Enclosures, all TerraWave Fiberglass Enclosures and all TerraWave Heated/Cooled Polycarbonate or Steel Enclosures. Each kit fits up to a 15" diameter circular or square pole. Includes two steel mounting arms, two 48" pole clamps, fastening hardware (bolts, washers, lock washers, etc) for flexible mounting options and is covered by a 2-Year warranty. For questions and to purchase product, contact a wireless networking solutions sales engineer at 210-375-8482, 800-851-4965 or sales@terrawave.com. Visit www.terrawave.com for additional information.
