

Bubble Enclosure with Universal Mounting Plate

TerraWave's new deeper polypropylene Bubble Enclosure with Universal Mounting Plate is designed for indoor use and accommodates most manufacturers' access points* with integrated antennas. The unique mounting plate fits any enclosure with a t-bar mount. This enclosure provides protection from damage caused by theft or tampering. The enclosure, made from polypropylene material, is durable, extremely affordable and is simple to install. It is perfect for a variety of applications where a tamper-proof and aesthetically pleasing design is critical. This is the most cost-effective solution in the TerraWave line of indoor enclosures.

Every TerraWave enclosure is covered by the company's two-year TerraNet warranty program. For questions and to purchase product, contact a Regional Sales Executive at 210-375-8482, 800-851-4965 or sales@terrawave.com.
