By Ventev
Catalog # 607481

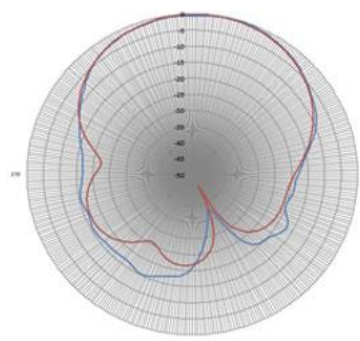

Ventev's TerraWave small form factor (SFF) Atto Patch Antenna with 4 RPTNC Male Connectors offers outstanding Wi-Fi performance in Ventev's smallest form factor antenna to date! Measuring just 3x3 in., the antenna is one third of the size of comparable antennas on the market, making it ideal for applications where performance and aesthetics are equally important. The antenna includes a medium strength articulating mount that articulates horizontally and vertically for precise positioning. Both the antenna and the mount are designed for use indoors or outdoors.
