Bring Wi-Fi Close to Fans

Wi-Fi Handrail Antennas
Available in 6dBi or 3dBi gain, Handrail antennas help deliver Wi-Fi directly to the users for improved coverage and capacity.

Handrail Enclosure
Houses two access points (APs) and two antennas facing in opposite directions to enable Wi-Fi on both sides of the handrails.

Improve Network Performance

5GHz 6dBi Wi-Fi Micro Patch Antenna with 4 Right Angle RPTNC Connectors
For Cisco’s latest access points including Wi-Fi 6 (802.11ax) compatible APs.

Beamwidth H: 55, V: 60
Mounting: Wall/Mast/Pole
Application: Indoor/Outdoor
Tessco No. 215098

2.4/5GHz 6dBi Wi-Fi Micro Patch Antenna with 4 RPTNC Connectors
For Cisco’s latest access points including Wi-Fi 6 (802.11ax) compatible APs.

Beamwidth H: 80+/−10, V: 90+/−10
Mounting: Ceiling/Pole/Wall
Application: Indoor/Outdoor
Tessco No. 524086

2.4/5GHz 6dBi Wi-Fi Dual-Polarized Directional Antenna with 4 RPTNC Connectors
For Cisco’s latest access points including Wi-Fi 6 (802.11ax) compatible APs. Ideal antenna for high scatter environments. Includes a 10” articulating Strong Arm Mount.

Beamwidth H: 65/60, V: 65/55
Mounting: Mast/Pole/Wall
Application: Indoor/Outdoor
Tessco No. 279467

2.4/5GHz 6dBi Wi-Fi Directional Antenna with 4 RPTNC Connectors
High-density antenna for Cisco’s latest access points including Wi-Fi 6 (802.11ax) compatible APs.

Beamwidth H: 105/125, V: 60/70
Mounting: Wall/Mast/Pole
Application: Indoor/Outdoor
Tessco No. 503910
Ease Installation, Ensure Precise Positioning

**Wi-Fi Co-Locating Mount**
Dual-Axis Co-Locating Mount deploys AP and antenna together. Rotates 360° degrees horizontally and articulates vertically for precise positioning. Directional antenna (not included) conceals AP and wires. Used for indoor applications.

**Wi-Fi Two-Antenna Co-Locating Mount with Two Strong Arm Mounts**
Easily mount an AP and two external antennas. Allows one AP to effectively perform the work of two! Choose 10” or 18” strong arm mounts for optimum performance.

**Wi-Fi Strong Arm Mount**
Positions an antenna precisely for optimum coverage and minimal interference. Articulates horizontally and vertically to allow multiple mounting positions for ideal coverage.

**Low Profile I-Beam Mount and Industrial I-Beam Mount**
Mount an AP, enclosure, antenna, and other equipment at ground level, then secure onto an I-Beam. Installs horizontally or vertically. Easy to relocate to optimize RF coverage.

**Universal Articulating Mount**
This steel mount and accompanying mounting hardware creates a strong, reliable mounting solution. Articulates horizontally and vertically for flexible positioning. Used for indoor and outdoor applications.

Enable Seamless Outdoor Wireless Networks

**Outdoor Wireless Bollard**
Helps provide connectivity in any outdoor environment. Protects and conceals AP, antenna, switches, power supplies, and media converters. Now with two cap designs!

**Outdoor Wireless Mini Bollard**
16” Mini Bollard hides and secures an AP, antenna, or other network equipment, for aesthetically pleasing connectivity along walkways and across campuses.

**Power Extender**
Enable 24/7 Wi-Fi and security camera operation on intermittently powered light poles.

**NEMA Enclosures**
Rugged polycarbonate enclosures are UV and corrosion resistant and protect in harsh weather. Optional integrated antenna. Key or latch locks secure equipment.

Keep Your Deployment on Schedule

**Bulk Network Cable, Bulk Coax, and Jumpers**
Ventev offers the cable you need for stadium projects in-stock and ready to ship!
WHY CHOOSE VENTEV?

• Industry-leading product lines that provide a comprehensive ecosystem of wireless products
• Products for every major radio/AP covering Wi-Fi, DAS, LTE, SCADA, and Two-Way
• Easy-to-install solutions
• Pre-configured, fully integrated solutions
• Large inventory of products, ready to ship
• Professional product training and educational materials such as application notes and case studies
• Customer support with exceptional product and industry knowledge, along with updates through the Ventev and Tessco teams
• All Ventev products sold through Tessco Technologies (NASDAQ: TESS) to ensure your purchase is risk-free
