

ventev[®]

PRODUCTS & SOLUTIONS FOR
Healthcare Wireless Networks

Meet the challenges of wireless deployments in healthcare environments:

- RF-Blocking Areas
- Outdoor/Campus
- Lobbies and Auditoriums
- Patient Rooms and Hallways
- Aesthetic Solutions

RF-Blocking Areas

“The ceiling tile enclosures solved the installation challenges we had. And I can’t say enough about Ventev. They went above and beyond to get us the product we needed on a very tight timeline.”

William Lawrence,
IT Project Manager Georgia
Institute of Technology

Wall Mounts

Wall mounts position access points for optimal coverage and protect from tampering and theft, dust, and accidents.

Indoor Directional Antennas

Choose from a wide range of aesthetically pleasing indoor antennas with high, medium, and low gain to improve Wi-Fi user experience.

Mini Ceiling Omni Antenna

Provides a high-performance, aesthetically pleasing alternative to installing bulky access points with integrated antennas on the ceiling.

Mobile Antennas

Small form factor mobile antenna installs on mobile work stations to enable high-performance video and data transmissions.

Patient Rooms & Hallways

Access Point Covers

Conceal and protect access points from damage caused by theft or tampering. Mounts on the ceiling or wall.

Ceiling Tile Enclosures

Allows access to the access point without disrupting the plenum space above the ceiling, simplifying compliance with infection control regulations.

Flush Mount Enclosure

Lightweight enclosure for hard cap ceilings provides an aesthetically pleasing solution and protects the access point from tampering.

Campus Wi-Fi

Outdoor Wi-Fi Antennas

Choose from one of the largest selections of outdoor antennas available to support demanding outdoor applications.

Power Extender

Enables continuous operation of access points and surveillance cameras installed on light poles with intermittent AC power supply.

NEMA Enclosures

Secure and protect equipment from theft and tampering with Ventev's line of Wi-Fi enclosures. Allows you to safely and securely deploy Wi-Fi access points in any environment. Order fully-integrated with temperature controls, antennas, jumpers, and lightning arrestors.

Lobbies & Auditoriums

Paintable Wi-Fi Antenna Kit

Conceal and protect micro patch antenna from tampering and theft, dust, and accidents.

Small Form Factor Wi-Fi Antennas

Half the size of traditional antennas, small form factor patch and omni antennas ensure inconspicuous Wi-Fi.

Junction Box Wi-Fi Antenna

Housed in a standard electrical box, the Junction Box Antenna provides aesthetically pleasing Wi-Fi without sacrificing performance.

WHY CHOOSE **ventev**[®]

Industry-leading product lines that provide a comprehensive ecosystem of wireless products

Products for every major radio/AP covering Wi-Fi, DAS, CBRS, LTE, SCADA, & two-way

Easy-to-install & Pre-configured, fully integrated solutions

Large inventory of products, ready to ship

Professional product training & educational materials

Customer support with exceptional product and industry knowledge

After you choose the radio

choose **ventev**[®]
